

Come to the
Community Family Fun Fair!
October 24th, 2010

9:00 a.m. – A Sunday worship celebration for all who would like to attend.

This is completely optional, but you can experience life at LifeSpring! There will be great music and a message from Pastor Chris Dyer, our Lead Pastor. His topic will be: **It's Not About The Church** - *Some people will give you the idea that Christianity is all about the church. In fact, some Christians will give you the idea that the church is all about them! Pastor Chris will tell you why these thoughts are not God's thoughts.*

You DO NOT have to attend the worship celebration to participate in the rest of the activities!!! Attendance is not expected or required.

10:30 - Family Health Fair – Cool exhibits, balloons, food, refreshments, games and prizes

11:30 - Jungle Terry! (Animal Entertainer, Educator and Enthusiast) Adults and children will love Jungle Terry! He will bring variety of safari animals and we will all have great fun as we learn together. This program is interactive and the children will actually be able to touch and hold the animals! If you have never experienced Jungle Terry's safari animal program, you will not want to miss it!

Conclusion: more games, food and extreme prizes!

Cost: ABSOLUTELY FREE!

This is a free service to you, your family and the surrounding area!
